High: 35  
Low: 16

Weds. Jan. 28

High: 33  
Low: 14

- ❄ Open cabinets under sinks to allow for warm air to circulate.
- ❄ Drip only in places where pipes are seated along exterior walls.
- ❄ Drip from hot and cold sides at a rate of 5 drops per second, or a stream no wider than the lead of a pencil (approx. 2 mm).
